Dear Sir/Madam:

Failure to comply may result in the City of Tallahassee correcting the violation(s) and assessing the cost through placing a lien on the property until such time as all costs are reimbursed to the City. These costs may be recovered by court action, if necessary. Your case may be presented to the **Code Magistrate** even if the violation has been corrected prior to the hearing or if the structure is boarded.

The City's Board and Seal Ordinance, (Section 3-371, Tallahassee Land Development Code), includes a time limit for a structure to remain boarded. Cases involving boarded structures will be taken to the **Code Magistrate** for an order to be issued determining the time limit. If removal of boards reveals other code violations, those violations must also be corrected.

The **Code Magistrate** will receive testimony and evidence at said hearing and shall make findings of fact as are supported by the testimony and evidence pertaining to the matters alleged herein. If you fail to appear, the **Code Magistrate** may base its findings and conclusions solely on the testimony and evidence presented by the Code Enforcement Division.

Should you be found in violation of the Municipal Code, the **Code Magistrate** may impose a fine up to \$250.00 per day, per violation for each day that the violation(s) continues beyond the compliance date established by the **Code Magistrate** in the Final Order. If the Code Enforcement Board or Code Magistrate has previously declared you to be a repeat violator, the **Code Magistrate** may impose a fine of up to \$500.00 per day, per violation for each day the violation continues beyond the compliance date established by the **Code Magistrate**.

**CITY OF
TALLAHASSEE**

Housing & Community Resilience
Code Enforcement Division

Dear Sir/Madam:

Failure to comply may result in the City of Tallahassee correcting the violation(s) and assessing the cost through placing a lien on the property until such time as all costs are reimbursed to the City. These costs may be recovered by court action, if necessary. Your case may be presented to the **Code Magistrate** even if the violation has been corrected prior to the hearing or if the structure is boarded.

The City's Board and Seal Ordinance, (Section 3-371, Tallahassee Land Development Code), includes a time limit for a structure to remain boarded. Cases involving boarded structures will be taken to the **Code Magistrate** for an order to be issued determining the time limit. If removal of boards reveals other code violations, those violations must also be corrected.

The **Code Magistrate** will receive testimony and evidence at said hearing and shall make findings of fact as are supported by the testimony and evidence pertaining to the matters alleged herein. If you fail to appear, the **Code Magistrate** may base its findings and conclusions solely on the testimony and evidence presented by the Code Enforcement Division.

Should you be found in violation of the Municipal Code, the **Code Magistrate** may impose a fine up to \$250.00 per day, per violation for each day that the violation(s) continues beyond the compliance date established by the **Code Magistrate** in the Final Order. If the Code Enforcement Board or Code Magistrate has previously declared you to be a repeat violator, the **Code Magistrate** may impose a fine of up to \$500.00 per day, per violation for each day the violation continues beyond the compliance date established by the **Code Magistrate**.

If any person desires to appeal any decision, with respect to the matter considered at these meetings, such person will need a record of the proceedings and that, for this purpose, such person may need to ensure that a verbatim record of the proceedings is made, which includes the testimony and evidence upon which the appeal is based. The City of Tallahassee does not provide or prepare such a record (refer to Section 286.0105, Florida Statutes).

Any party aggrieved by the decisions of the **Code Magistrate** may appeal the decision to the Leon County Circuit Court within 30 days of the execution of the order.

Building permits may be required before repairs or alterations can be made to any building. Building and demolition permits may be obtained from the City's Building Inspection Division, located at 435 N. Macomb Street, 1st Floor, telephone number (850) 891-7125.

If you have any questions concerning this notice or the hearing process, please contact our office at (850) 891-7007 or visit our office in the Renaissance Center located at 435 N.
